Purpose of the Meeting

To let parents know they have a voice in their child's EL education. We are here to provide services and support EL learners.

New Business

- Michele spoke about the importance of using the practice testing and resources for learners to familiarize themselves with the test.
- Michele logged on to TOMS and explained the practice test.
- Go to: elpac.org/resources/practicetests, click on students, access the practice and training tests for the online test. Click on: sign in, select grade level. Select test.
- Esther asked if the learners need to do the practice testing - no they do not.
- The state says the testing window is from 2/1/20-5/31/20, and iLEAD Hybrid will try to have them completed by 5/1/20.
